♠ ♥ ENTERTAINMENT ♦ ♣

All entertainment requires a private room. Entertainment must be booked a minimum of 14 days prior to the event; for entertainment that requires a choice of activities, the activities must be decided upon booking.

Parties of 10 or more children are required to do a minimum of 2 hours or hire an additional entertainer/staff helper (at event coordinator's discretion, for an additional fee) for the hour to ensure that each child gets the proper attention from our host; in some cases, our entertainers can work with up to 15 children, in which there would be a flat \$50 fee added to the cost.

Should you decide to cancel booked entertainment before 14 days prior to the event, there is no fee; if you cancel the entertainer after 14 days, the full entertainer cost will be charged.
